QeOPS
Quality eBusiness Solutions

QeOPS TRANSPORT

The increasing competition in the market leads to an essential need to reduce costs, as for your business to remain competitive. Whether you operate at national or international level, the challenge is for your products to reach the client in the shortest time, at optimal and fair transport costs.

HOW CAN YOU ENSURE THAT THE CURRENT TRANSPORT SOLUTION IS IN LINE WITH THE COMPANY OFFER AND WITH THE CONSUMERS AND MARKET REQUIREMENTS?

1. OUTSOURCE THE SERVICES AND MAKE YOUR BUSINESS MORE EFFICIENT BY OPTIMIZING THE USE OF RESOURCES
2. THE OPERATING COSTS ARE TO BE REDUCED SIGNIFICANTLY, DEPENDING ON THE PARTICULARITIES OF THE DELIVERED PARCELS

INTEGRATED TRANSPORT SERVICES

- *Express freight or consolidated national delivery*
- *Home Delivery national delivery for large size products (big and medium size home appliances, furniture, mattresses, body trainers, fitness etc.)*
- *Pick-Up Point/Drop-Off Point national delivery*
- *International delivery – QeOPS is a member of WCA (World Cargo Alliance), the biggest freight forwarders network in the world, thus benefitting from access to transport resources to and from any point in the world.*
- *Issuing the delivery documents – AWB, Packing List, CMR*
- *Fast Door-to-Door delivery time, within 24h for the countries in the region (BG, RO and HU) and 48h for the Central European countries (AT, CZ, SK, HR,SI, PL)*
